## WORKSHOP APPLICATION FORM

Workshop	Description	Workshop Selected
<b>KLS Martin:</b> Correct handling and pre-bending of reconstruction plates	Experts from KLS Martin will demonstrate best-practice technique and assist delegates in the bending of reconstruction plates to fit 3D printed models in this hands-on workshop.	Choice
<b>Materialise:</b> Planning with ProPlan® Software	Proplan's intuitive wizard-driven interface takes the complexity out of 3D planning. Sample the software and carry out a reconstruction case in real-time.	Choice
<b>Technovent</b>	A hands-on workshop featuring a variety of materials and components including the Technovent Magnet System.	Choice

Please select a first and second choice; we will be running each workshop twice so we hope to be able to fulfil your request. However, as we expect demand to be high places on workshops will be allocated on a first come, first served basis

There is no charge for workshops for IMPT members, but there will be a £20 fee **PER WORKSHOP** for non-members.

**PLEASE NOTE:** Room availability at the conference hotel (Marriot Swansea) is strictly limited and these rooms will be allocated on a first come, first served basis as a perk for those who make an early bird booking. Once all accommodation at the marriot has sold out, any additional delegates will be allocated rooms at the Premier Inn Swansea City Centre; a 4 minute (0.7 mile) walk from the conference venue.
